Dear Carolyn:

Where do I begin to thank you? You and the group of individuals from Association of Home Staging Professionals International turned our Weekender Room and our Children's Playroom into a dream place for our families.

We are so pleased that you chose our Ronald McDonald House of Detroit as your charity this year. We could never imagine the amount of work, funds and love that would be put into this project. You and the rest of the team should be pleased and proud to know that your renovations will touch the lives of so many families.

Carolyn, I enjoyed your company these past few months. Your bright spirit, happy giving and caring heart made the project even more delightful. I can always tell when a new volunteer comes into our lives and they instantly 'get it' when they tour the House. You were one of those people who 'got it'. You know the impact your generous gift will be for so many years.

Please know that you and the others from AHSPI will forever be in our hearts. We appreciate your donations of time, love and energy.

We truly look forward to future projects with you. Thank you so very much.

Best wishes
