

**Worldwide Staging Day
International Association of Home Staging Professionals
Saturday, September 16, 2006**

before . . .
kind of blah
not really teen friendly
awkward and unfinished

after . . .
WOW!
cool and sophisticated
comfortable and fun
thanks everyone

Dear . . . , The Nashville chapter of IAHSPP would like to say a big THANK YOU for your contribution to the complete re-design of the Ronald McDonald House Teen Room. It is now truly a functional and welcoming room for teens and families who stay at the Ronald McDonald House.

We had a great time putting this together, but it wouldn't have been the same without your help.

Thanks again,

Liz Jenkins and Mary Forsythe
IAHSPP World Staging Day Chairs
