IAHS[®] is hosting **REGIONAL SUMMITS** in multiple locations throughout the US and Canada. This is so industry professionals can attend an event and receive vital education without incurring the expense of travel, or leaving their business and families for days. By bringing the events to our industry members, we will be able to reach 2-3x the number of people who attend an annual conference. **If you have other locations that would sponsor regional summits, please let us know.**

27 years of industry Leadership, Support, Resources, and Educational Events

Since 1999, IAHSPP has set the standards for Excellence, Education and Ethics for the Home Staging, Real Estate and Design Industry. IAHSPP is the **ONLY** industry association that requires approved education/credentials in order to join. This means our members adhere to a higher standard and are not hobby stagers. Additionally, our leaders are all **ACTIVE** in the industry with successful businesses and understand what our members need in order to grow and thrive. ***We walk the walk, not just talk the talk.***

Since 2003, IAHSPP® has held educational conferences for our industry for professionals to learn what it takes to be successful. We bring in top expert speakers from around the world who share their knowledge and expertise with our attendees on a variety of business, creative and motivational topics.

Our Vendor Partners are a large part of our conference success. Your support of our association allows us to hold conferences and support the events our members want to attend. ***You invest in IAHSPP® and our members invest in You.***

We ask all Vendor Partners to provide special pricing, shipping discounts, or other incentives that NO OTHER GROUP is receiving, as this adds VALUE to our association and helps attract more members.

When we consider which companies to partner with, several factors come into play:

- 1. Type of merchandise sold.** Our top categories are furniture, art, decor, greenery, area rugs, and lighting
- 2. Price point of items.** Stagers make a large capital investment to support the client projects they conduct, and need to stretch the dollar. Items that are more affordable are more likely to be purchased, and purchased in volume.
- 3. Distribution Centers.** Distribution centers in the eastern and western regions is preferred so members are not waiting lengthy times for items to arrive.
- 4. Availability of Items.** Our members are usually in a hurry to receive items as they have properties in need of product, and shipping times are definitely a factor for stagers when considering a purchase.
- 5. Customer Service.** Being able to reach a real person to discuss future orders or issues with an existing order is definitely a plus.
